

Dear Mountain Cat Wrestling Alumni, Friends & Family,

I am very proud of our program, and with very humble beginnings we have become one of the most successful wrestling programs in the nation in any division.

Our goal is to continue this tradition, and that is why we are very excited about the development of the Mountain Cat Wrestling Club (MCWC), whose mission is to help our student-athletes continue to learn through academic and athletic success, as well as community service.

Under the leadership of President Jem Spectar, our athletic programs are continuing to grow in all three major areas: Staff, Facilities, and Scholarship.

We have just recently added a Full-Time Assistant Coach in UPJ National Champion, Tyler Reinhart, who will join two part-time assistants in UPJ National Champions, Jody Strittmatter and Shad Benton.

The Mountain Cat Wrestling Club (MCWC), working along with the University, will help continue growth in those areas and to continue this tradition of excellence.

I encourage you to be "Mountain Cat Proud" by providing support to the Mountain Cat Wrestling Club and urge you to help spread the word about the Great things happening at the University of Pittsburgh at Johnstown.

And remember: Uniting the Goals and Efforts of the Individual with the Goals and Efforts of the Team to Achieve Greatness Together makes us all...

...Brothers For Life.

Stay Strong!

Coach Pecora
